

I DON'T UNDERSTAND

I don't understand, why it had to be
Help me put my trust in thee,
For those times I cannot see.
I've heard that you care, care so much for me

Help me Lord to trust,
The one who died for me.

CHORUS:

Jesus please be real to me
And set my spirit free
Jesus please be real to me
Be the very breath I breathe.

I'll give all my past to you
And my future, too.
I'll trust that you'll see me through,
I'll give all my days to you.

Repeat Chorus

IN SAFE HANDS

I formed the mountains, I spread the plains,
I make the lightning, I send the rains.
And as for you, my little lamb,
I'll never leave you, you are in safe hands.

CHORUS:

Am I not able? Tell me I'm not able.
Am I not able to see you through?

My child, I'm able, I'm more than able,
My child, I'm able, and I will see you through.

I walk on water, I calm the storm,
The blind now see and the dead now rise.
And as for you, my little lamb,
I'll never leave you, you are in safe hands.

YOUR LOVE IS THE ONLY LOVE I NEED

Your love is the only love I need,
Your love is the only love I need,
Your love is the only love I need,
It surrounds me completely
And reaches me so deeply,
Oh, Your love is the only love I need.

It reaches down to where I am
And lifts me up to where You are.
It gives me strength to face the day,
And hope to carry on,
Oh, Your love is the only love I need.
Your love is the only love I need.

BREAK THE CHAINS

Lord, break the chains that surround me,
Lord, break the chains that have me bound.
I choose to forgive
That I might be forgiven,
Break the chains, break the chains
I want to be free.

I want to be free, I want to be free,
Darkness and death won't swallow me.
I want to be free, I want to be free,
Darkness and death won't swallow me.

I SEE ME

I see me in Your arms
And You're holding me close.
I see me in Your arms
And You're holding me close.
I see me in Your arms
And You're holding me all the day long.

I see me in your arms
And You're holding me close.
I see me in your arms
And You're holding me close.

I see me in your arms
And You're holding me all the night long.

I am safe, I am secure
In Your arms forevermore,
But with this love,
I can take wings and fly.

Now, I see me in Your arms
And now You're letting me fly.
I see me in Your arms
And now You're letting me fly.
I see me in Your arms
And now You're letting me fly beside You.

WHEN MY BURDENS SEEM HEAVY

When my burdens seem heavy,
I will run to the Savior.
In His arms I am safe,
And my burdens He'll take.

When my way becomes weary,
I will run to the Savior.
For the joy of the Lord,
Will be my strength.

I will lift up my eyes
As I lift up my faith;
For with God I am able
To continue this race.
I will lift up my eyes
As I lift up my faith;
For the God of all Ages,
Now stands in my place.

DO NOT DOUBT

Do not doubt, no not fear,
I am God and I am here.
I am your strength,
I am your shield.

Do not doubt, no not fear,
I am God and I am here.
I am your strength,
I am your shield,
I am your God.

I'll give you strength for the battle
And with my shield I will protect my child.

Do not doubt, no not fear,
I am God and I am here.
I am your strength,
I am your shield,
I am your God.

TIDE OF THE BATTLE TURNS

The very day I call for help
The tide of the battle turns.
The very day I call for help
The tide of the battle turns.

I will not fear what man can do.
The tide of the battle turns.
I'm trusting God, Oh Praise His name.
For the tide of the battle turns.

My enemies flee, my enemies flee,
And this one thing I know, God is for me.
My enemies flee, my enemies flee,
And this one thing I know,
And this one thing I know,
And this one thing I know: GOD IS FOR ME!

LORD I COME

Lord I come to this place
In the presence of Your Spirit.
Lord I come to this place
Seeking Your face.

Lord I come to this place
Knowing Your grace.
Lord, I come. See me come.
Lord I come.

Change my heart, change my mind.
Pour into me new wine.
May my life reflect Your glory
As I bow before your throne.

Lord I come. See me come.
I humbly come.

MATTER OF THE HEART

*It was a matter of the heart
And I knew it from the start,
But I still refused Your love.
(Repeat*)

But now I know that you love me so,
And I know You'll never let me go.

It is a matter of the heart
And now I choose the better part.
And your love envelops me.

It is a matter of the heart
Oh, how You wooed me from the start
And Your love has sent me free.

And now I know that you love me so,
And I know You'll never let me go.

THE BRILLIANCE OF HIS PRESENCE (Psalms 18)

In distress I cried to the Lord for help,
And He heard me from heaven above.
Then the earth rocked and reeled

And the heavens shook,
As the brilliance of His presence
Now breaks the clouds.

CHORUS

*My Lord thunders in the heavens
And the God of gods has spoken.
He has flashed His fearful arrows,
And my enemies now run.
(*Repeat)

He reached down from heaven
And he took me in,
And he rescued me from deep waters.
He has armed me for battle
And my enemies now quake,
As the brilliance of His presence
Now breaks the clouds.
